Keokuk Community School Foundation

The Keokuk Community School Foundation , a not-for-profit organization chartered in 1990, was established to help meet the growing financial needs of public schools in the community. The Foundation is managed by a board of directors consisting of local volunteers, including liaison members from the School Board and the Office of Superintendent of Schools. A majority of board members are graduates of the Keokuk Community School system. The Keokuk Community School Foundation realizes that the best way for our children to flourish in the future is to give them the very best education available today.

Our purpose is:

- ***Assist economically in the improvement of education in the Keokuk Community Schools.***
- ***Provide assistance to those functions not readily supported by the use of tax funds.***
- ***Promote pride in the Keokuk Community Schools through increased alumni relations and civic awareness.***
